CHIPS: CHILDREN with HEARING IMPAIRMENT- PARENT SUPPORT FACEBOOK GROUPS

CHIPS Facebook groups are now being set up across Hertfordshire by parents, for parents and carers of children with a hearing impairment. Get involved, get connected. Link with local parents who are on the same (Facebook) page.

The Facebook groups can help mums, dads and carers support each other.

-  Share ideas and experiences
-  Organise family meet ups
-  Ask for help or offer support
-  Post CHICS, Phoenix and NDCS events.
-  Share knowledge on local schools and nurseries and deaf-friendly kids activities.

How does it work?

The first CHIPS group was set up by parents from St Albans/Harpenden. They organise informal get togethers, continue CHICS friendships, sign up to activities together, share expertise, have an annual Christmas party and campaign for better services.

How to join.

Complete the form. You will be sent a reply email with information about your local group. Need help? Email chips.stalbans@gmail.com

Join CHIPS

COMPLETE THIS FORM TO JOIN YOUR LOCAL FACEBOOK GROUP.

I am a parent/carer of a child with hearing impairment. I am interested in:

- Joining a local CHIPS Facebook group
- Helping set up or coordinate a local group

Name _____

Email _____

Local area (please tick)
